

Holy Moly Prayer Cards for Parents

The edifying messages in the Motherwise Holy Moly Cards for Parents cards can be carried in a pocket, wallet or stuck to the refrigerator with magnets so they will be in plain view of the intended party whenever they are hungry. Print an extra copy and share it with your friends who have teens.

Look for the card game coming soon. A full deck required in order to play.

Easy printing and assembly directions:

Print this on regular paper in landscape setting (Use card stock if you want it to last more than a day).

Cut out on the dotted lines.

Fold in half, *vertically*.

Glue the left and right (front and back) sections together. Tape is okay too.

Read, enjoy, share with a friend.

Safe Ejaculations for Parents In a Hurry

~ Ejaculation also means short prayer. Look it up. ~

Grant us special graces to remember their sweet little faces when they're snotty and bratty like all teenagers.

Praise the one who first held back, "I told you so," and give me strength to let it go.

Halleluiah! Halleluiah! Summer is lost and sweet September's found.

Merciful heavens, let her take a liking to tankinis. I'd rather that than a little bikini.

Good gracious! There is no mercy for you as you didn't listen to any of my blessed advice.

Have mercy on me. You'll need me for a ride to the mall.

Lordy, Lordy. If they keep this up, I won't live to be forty.

Praise to you who have touched us with Lady Clairol. Let us dye and and look alive again!

Saints preserve us and watch over yours and ours, because they just passed their test and are driving our cars.

Good heavens, I can't do your homework. Sweet ignorance is bliss.

Fly to my aid and bring them to their senses. They are stubborn and hardheaded - just like their relatives.
