

First Times Empathy Cards for Parents

The edifying messages in the Motherwise First Times Empathy Cards fit conveniently into most envelopes. Mail them with a return address and signature, or leave anonymously for someone experiencing a "first time." Simply print a copy, cut on the dotted lines, fold on the solid lines and share with someone whom you would like to say, "Been there, done that."

*Word from the Motherwise:
Now that they are in the "Enlightened Age"
they will come to you for advice and money.*

**Congratulations!
Don't let it go to
your head.**
