

## First Times Empathy Cards for Parents

The edifying messages in the Motherwise First Times Empathy Cards fit conveniently into most envelopes. Mail them with a return address and signature, or leave anonymously for someone experiencing a "first time." Simply print a copy, cut on the dotted lines, fold on the solid lines and share with someone whom you would like to say, "Been there, done that."

Find the complete set of First Times Empathy Cards covering life's parental milestones at [www.motherwise.us](http://www.motherwise.us).

*Ward from the Motherwise:  
Sleep lots of chocolate in the house. Make  
sure there's enough for your daughter too.*

**You knew it was coming.  
At least, now you can  
schedule it in.**

*On The Occasion Of Your  
Daughter's First PMS*
